## COMMENTS FROM OUR CUSTOMERS

“ Their fries here changed my world. They’re tempura battered and then fried till perfectly crispy. I absolutely adore them. This is the first time I’ve had fries prepared that way, and I can’t go back!

They have a lot of great sandwich and burger options, but my two favorites would have to be the Western Burger, and the Brisket Stack. Both were incredibly flavorful and filling. When you order them, they also come with a side of potato salad or fries!

I absolutely love how they have homemade pickles and homemade BBQ sauce! You definitely need the pickles to help cut through all the meat.

The service here has always been friendly and fast. They’re always extremely helpful when you have any questions about the menu and are great with accommodating to any special requests.”

“ Brisket burger and fries. It was UNBELIEVABLE .....Tender and flavorful with a Brioche Bun add in a delicious BBQ sauce .....hits the spot .....NEXT was the MAC & CHEESE ...A1 comfort food ....Have a rack of Ribs .... the only thing I had to do was put the rib and the meat fell off in my mouth .

I took home a Pulled Pork Sandwich with Vingar Slaw on the sandwich ....unreal ..... I top it off with homemade ice cream Chocolate shake for dessert and it was a great way to watch college football ALL DAY !!!

A MUST When sitting around the house veggie out watching sports !!!! The NAP IS OPTIONAL !!!! ”

“ Large, diverse menu. I really like the Korean wrap, the country breakfast, cheese-burger, which they will do medium rare legitimately, and the milkshakes. The cookies look delicious but I haven’t tried them yet. ”

-- MT T. ( Daly City, CA ) --

“ What a pleasant surprise! Simple menu, but everything we have had so far was really good! Especially the Reuben Sandwich. A few beer selections, TV’S for sports, reasonable prices, nice employees! ”
